

# Kilcock Celtic Special General Meeting Notice

The committee of Kilcock Celtic have called a member's Special General Meeting for Monday 13<sup>th</sup> February 2012.

Venue: Scoil Dara      Time: 7.45pm

All managers, coaches, senior players and adult members are requested to attend.

The meeting is called to discuss a committee proposal:

The proposal is to add the words Youth and Community (or similar) into the name of the Club and to make the necessary changes to the constitution to reflect this insertion and to allow the Club to apply for any funding that may become available.

This amendment is proposed to allow the Club to have better access to possible funding available to develop facilities in the Bawnogues and to grow and develop the Club.

For example: If the resolution is passed - the Club would officially be called Kilcock Celtic Youth and Community Club or Kilcock Celtic Community and Youth Club (or similar).

## **League Status**

This resolution would have no effect on teams participation in the Kildare leagues. We will still be called Kilcock Celtic, both seniors and underage.

## **Normal Activities**

Again it will have no effect on normal activities. If you're selling a ticket for the "sponsored waxing" you will still be selling a ticket for Kilcock Celtic

## **Club Logo**

The Club logo will stay the same. However we may in the future substitute KCFC with KCYC (the F changes to a Y) or as required.

## **Why Youth & Community?**

Because it reflects the real nature of our Club. We service the Youth and Community of Kilcock and its environs. We are already actively involved in Youth and Communities issues.

If you have any queries or suggestion please email the Club [Kilcock.Celtic@yahoo.ie](mailto:Kilcock.Celtic@yahoo.ie) or contact a committee member.

**Please attend the meeting. It's important that you express your views**
