**SOCCER PRACTICE FOR  
3-5 YRS GIRLS & BOYS.**

Our aim is to create a safe, friendly, learning environment where children can be creative, expressive & most of all have fun in what could be their first introduction to soccer.

The games and practices will introduce all the basic fundamental movements of agility, balance and co-ordination (The A,B, and Cs).

The coaches will be forward thinking, imaginative, prioritise fun and creativity at all times, they are F.A.I qualified and Garda vetted.
