Tairsceanna Láithreach (Feidhmeanna na Comhairle Contae) Current Motions (Kildare County Council Functions)

12. Councillor Doyle

That this council recommends to Department of Housing, Planning, Community and Local Government that eligibility criteria for inclusion on social housing list should have no income limits, in order to promote socially integrated communities and that allocation policies should have criteria that promote socially integrated and diverse communities.

13. Councillor Cussen

That Kildare County Council reform its public consultation process in respect of Local Area Plans, with a commitment to improving the process.

14. Councillor Redmond

That the council move to purchase lands for the building of houses in areas where there are more than 500 people on the housing list. I would ask that Monasterevin be identified as the first area and can we get the name of areas where there are over 500 people on the list. This will be of great help to the work of the Housing Strategic Policy Committee.

15. Councillor Lynch

That this council commits to publishing an up to date detailed progress report of all estates in the county yet to be taken in charge and will commit to doing this at least once a year and publish the same on the councils website in a timely fashion.

16. Councillor McLoughlin Healy

That the council outline the role of an Environmental Health Officer report and the protocol for acting on a report when it highlights issues with council accommodation.

17. Councillor Moore

That the Chief Executive and the Finance Officer provide a detailed report on the rationale for the split of discretionary revenue and capital expenditure, over and above the General Municipal Allocation, allocated to each of the Municipal Districts.

**Tairsceanna Láithreach (Nach feidhmeanna na Comhairle Contae iad)
Current Motions (Non-Kildare County Council Functions)**

That this council ask the relevant minister to exclude sitting public representatives and their families from serving on jury service while they are in office.

19. Councillor Cronin

That the elected members of Kildare County Council commit their support for the retention and enhancement of the Bus Éireann and Expressway bus service, its provision of vital services between rural and urban areas, its economic and social benefits and protection of the rights of Bus Éireann and Expressway workers, and our constituents who depend on this vital bus service and release a statement to that effect.
